

*Connect & Communicate*  
Relating and Thinking across a lifetime

# MORE THAN WORDS

A Hanen Program for building interaction and language skills for children with ASD or Social Communication Difficulties.

## Program includes:

- One **Pre-Program Consultation** with you and your child
- Eight **teaching sessions** working on strategies
- Three **individual visits** with you and your child during the program

## Parents will learn:

- **Improve** two-way interaction with their child
- **Promote** conventional ways of communicating
- **Encourage** better social communication
- **Increase** the child's understanding of language

The program is led by Azealia Kadir, a Hanen certified Speech-Language Therapist

**CONNECT AND COMMUNICATE**

**JULY - OCT 2019**

**WEEKLY SESSIONS**
